

INCLINATOR® DUMBWAITERS

Commercial grade to home use

Dumbwaiter

Inclinator's innovation and reliability can be found in our line of Dumbwaiters for homes, offices, medical practices, stores, restaurants, banks, libraries and many other applications.

Reduce the risk of back strain, aching muscles and even accidents.

Stop carrying heavy or bulky items up and down stairs and install an Inclinator Dumbwaiter. For businesses, a Workers' Comp claim could easily exceed the cost of a Dumbwaiter.

Built to perform ... and last.

Inclinator is known for providing custom lift solutions, so give us your requirements – however unique they may be – and we'll deliver an ideal design. Besides functionality, Inclinator Dumbwaiters feature solid construction and proven reliability.

Meets or exceeds the requirements of ASME A17.1-2007 and CSA B44-07 safety codes for elevators and escalators.
